**AMENDED JOINT CLAIM CONSTRUCTION CHART**

Pursuant to paragraph 18 of the Amended Scheduling Order (D.I. 88), the parties hereby submit this Amended Joint Claim Construction Chart for the claim terms/phrases in Hilti U.S. Patent Nos. 10,267,036, 10,774,528, 10,610,711, 10,596,399, 10,641,417, 11,137,091 as well as STI U.S. Patent Nos. 9,157,232 and 10,143,868 (collectively, the “Patents-in-Suit”). This Amended Joint Claim Construction Chart should supersede D.I. 97.

Appendix A is a chart identifying: the Parties’ agreed constructions, and (1) the disputed terms/phrases; (2) each party’s proposed construction of the disputed claim language; and (3) citation(s) to the intrinsic evidence in support of the parties’ respective proposed constructions. Additionally, text searchable .PDF copies of the Patents-in-Suit are attached as Appendices B-I.

Discovery in this case is ongoing. Accordingly, in the event one or more of the parties later identifies terms that it believes require claim construction, each party reserves the right to seek construction of such terms and to supplement the intrinsic and extrinsic records.
